

GENDER WHEEL® ³ budding PRINCIPLES

to Grow a Nature-Based

PERSPECTIVE OF

GENDER

#3 IN NATURE... NOTHING EXISTS IN ISOLATION

We can only begin to understand gender and what it means when we view everything together within the context of community and the natural world.
Wholeness is health.

Body, gender, and relationship diversity are necessary to ensure a species' evolutionary resilience and endurance. **Diversity is strength.**

IN NATURE... INFINITE DIVERSITY IS NECESSARY FOR A SPECIES TO THRIVE

#2

#1 IN NATURE... THERE IS NO BINARY

Abundant body, gender, and relationship diversity exist across all realms of the plant, animal, and human world. **Everything exists on a continuum.**

A NATURE-BASED PERSPECTIVE:

- fosters greater embodiment
- builds personal resilience
- improves mental wellbeing
- strengthens our connection to nature
- encourages empathy and inclusion
- liberates us from bullying rhetoric
